FCA will continue offering tuition discounts this year for active members of the military, those who pay tuition in full, families with multiple children enrolled, or members of the church of Christ. These are individual discounts and will no longer be stacked.

Eligible families will select **one** of the following:

- 5% discount for active members of the military
- 5% discount for those who pay tuition in full before July 1
(If using a scholarship, 5% only applies to parent portion *after* scholarship deduction from tuition)
- 5% discount for the 2nd oldest child enrolled and for every child enrolled thereafter
- 10% discount for members of the Church of Christ

We will continue accepting school vouchers provided by the FTC and Family Empowerment Scholarships. These scholarships are now available to all K-12 students in the state of Florida.
